1 INTRODUCTION

This handbook contains sailing instructions and information for the 2017 – 2018 Parramatta River Sailing Club (*PRSC*) season.

Racing at the *PRSC* will be governed by the Racing Rules of Sailing (RRS) of the International Sailing Federation and the Prescriptions and Special Regulations of Sailing Australia (YA), except as amended by these Sailing Instructions.

1.1 RISK WARNING

This **RISK WARNING** is issued jointly by the Parramatta River Sailing Club and Maritime Services, pursuant to the **Civil Liberty Act 2002** to all persons wishing to participate in the sailing activities conducted by the Parramatta River Sailing Club.

Participants are warned that, regardless of the precautions which might be taken by reasonable and experienced persons, sailing can be a dangerous pursuit and participants are exposed to significant risk of property damage, physical harm and the possibility of death.

As an indication, these risks may include, but are not limited to:

- The extremes of weather and sea conditions.
- The potential that control of vessels may be lost, resulting in collision with objects and other vessels.
- The sudden movement of the vessel at any time and the possibility that participants may fall or be thrown overboard, resulting in drowning.
- The possibility that participants may be injured by equipment on the vessel.
- The absence of immediate medical care and the likelihood that significant delays may occur before medical care is available.
- Exposure to the elements for extended periods.

The Parramatta River Sailing Club and Maritime Services also warn participants that regardless of their best intentions, they may be unable to render assistance to participants who are in distress. Participants are warned to consider the above risks and all other risks before deciding to participate in any sailing event with the Parramatta River Sailing Club.

Participants are also advised that although the Parramatta River Sailing Club is covered by third party liability insurance, this cover **DOES NOT** extend to participants. Any participant who considers they have need for insurance must make their own private arrangements with an insurer.

A personal accident insurance policy is available with subscription to membership of Yachting NSW. Membership to the Parramatta River Sailing Club includes membership to Yachting NSW.

It is a requirement, when racing with the Parramatta River Sailing Club, that proof of a Certificate of Currency incorporating Public Liability exists for the yacht racing.

1.2 SAFETY AND EMERGENCY PLAN FOR COMPETITORS

To minimise the risks of racing and boating, sailors at *PRSC* must be familiar with and obey rules as laid out in the:

- Racing Rules of Sailing
- SA Special Regulations
- Regulations for the Prevention of Collision at Sea (“Coll Regs”)
- Maritime Safety Act
- And any other Regulation that applies to boating on Sydney Harbour.

Before Racing

- Racing Rules of Sailing Part 1 – Fundamental Rules apply to all your crew racing at the *PRSC*. You and your crew must understand Rules 1 – 5 prior to racing.
- Racing inshore on Sydney Harbour is classed as Category 7 as defined by SA Special Regulations Part 1. All boats must have a current valid Safety Compliance Certificate and carry the equipment identified on the certificate at all times.
- All crew members must know where Life Saving Equipment is stowed on your boat and how to use it.
- Attention is drawn to SA Special Regulations Appendix B and the need to practice man overboard procedures with your crew regularly.
- Make sure all crew members know how to locate and wear a PFD on your boat.

Emergencies

The Parramatta River Sailing Club is **UNABLE** to provide emergency assistance to boats in distress. The crew of any boat in **distress**, or the crew of another boat witnessing a boat in distress should contact emergency services on **000** or **VHF Channel 16**.

In the event that a participant in a race organised by the *PRSC* experiences a man overboard, a crew member sustains an injury or an injury is observed on another boat or a yacht is in danger, appropriate action should be taken.

Boats that retire from racing should notify the *PRSC* of their retirement at the earliest opportunity.

1.3 REPORTING OF MARINE ACCIDENTS

The provisions of the Maritime Safety Act 1998 (*the Act*) and The Marine Safety (General) Regulations 2009, (*the Regulations*) came into operation on the 30th March, 2009.

The *Act* and the *Regulations* replace the obligations under section 30G of the Maritime Services Act 1935 to report marine accidents involving death, injury or damage exceeding \$100.

A report is required in the case of an accident, excepted under the circumstances outlined in Regulation 96 of the Regulations. **This has particular relevance to boats competing in an aquatic activity that is being carried out under an aquatic license.**

The following three sections of the *Act* are of note to competitors in PRSC events:

Section 98 – Requirements of masters in case of accident involving vessels

1. The master of a vessel involved in a marine accident involving 2 or more vessels or the death of or injury to any person:
 - a. Must stop the vessel, and
 - b. Must give any necessary assistance that the master is able to give to any person injured or vessel damaged in the accident.

Section 99 – Duty to report marine accidents to Minister

1. When a marine accident occurs in connection with a vessel, the master of that vessel (and the owner of the vessel if aware of the accident) must send a report to the Minister containing particulars of the accident as soon as practicable by the quickest means available.
2. A report is not required to be sent:
 - a. if a report of the marine accident has already been sent by the owner or master, or
 - b. In any other case prescribed by the regulations.

Section 100 – Marine accident particulars

The particulars of a marine accident required to be furnished or reported under this Division are as follows:

- a. the time, place and nature of the marine accident,
- b. the name and distinguishing number (if any) of each vessel involved in the marine accident,
- c. the name and address of each person who was involved in or was a material witness to the marine accident,
- d. Any loss of life or the estimated extent of any injury or damage resulting from the marine accident.

The following section of the *Regulations* is of note to competitors in PRSC events:

Section 96 – Report of certain accidents

2. A report is not required to be sent under section 99 (1) of the Act in relation to a marine accident involving only vessels participating in an aquatic activity carried out under an aquatic licence if the accident does not result in any of the following:
 - a. injury to any person or a fatality,
 - b. damage to property other than to a vessel participating in the aquatic activity,
 - c. damage to any vessel participating in the aquatic activity costing more than \$5,000

- d. Damage, or risk of damage, to the environment.

5 RACE PRE-REQUISITES, RULES AND ORGANISATION

5.1 EQUIPMENT COMPLIANCE

Yachts competing in club races must comply with SA special Regulations, Part 1 – Category 7. All boats must have submitted a valid Safety Compliance Certificate.

Equipment audits are for the benefit of all. It is important that all owners and crew members be aware of where equipment is located and how it is used. Boat owners are reminded of the need to brief new crew members of the location and use of all emergency equipment prior to the race start.

5.2 OWNER'S RESPONSIBILITY

Please be aware of SA Special Regulations Part 1 for Racing Boats – Section 1, Fundamentals and Definitions, Regulation 1.02.

5.3 GUIDE TO EQUIPMENT

The *PRSC* Safety Compliance Certificate lists the equipment that is required for the YA Special Regulations Compliance. Please consult and refer to the SA "Racing Rules of Sailing" (the Blue Book) and the Roads and Maritime Services Boating Handbook. The 2017 – 2020 SA Racing Rules of Sailing regulations will be effective from January 1st, 2017 until December 31st, 2020. Any required amendments resulting from the new rules will be posted on the *PRSC* official noticeboard.

5.4 SAFETY COMPLIANCE CERTIFICATE

Safety Compliance Certificates can be downloaded from the *PRSC* website, the Yachting NSW website or collected from the Club.

5.5 INSPECTIONS

An annual inspection day is scheduled for Saturday 26th August 2017. Individual inspections after this date may be requested by contacting one of the Directors of the *PRSC*. The *PRSC* does not allow self-assessment for its Safety Compliance Certificate

5.6 ANNUAL INSPECTION DAY

Yachts need to be presented for inspection between 10:00 and 14:00 on Saturday 26th August 2017. Boat owners are requested to have all applicable safety equipment laid out for ease of inspection.

Inspectors will travel from boat to boat using the club run-about. Boat owners are requested to have fenders standing by and remain in Looking Glass Bay until their boat has been inspected.

5.7 AFTER THE INSPECTION

It is the owner's responsibility to ensure that their boat and other equipment continue to comply in every way with the Category 7 requirements. Owners must remain familiar with the SA Special Regulations and make sure all equipment remains on the boat, is kept in good working order and is repaired or replaced if necessary during the season.

5.8 SAIL NUMBERS

Sail numbers provide a means of identifying a yacht that is racing or is in trouble. A yacht must be issued with a sail number by an approved organisation and should display these numbers in accordance with the details laid out in Appendix G of the Rules.

5.9 RACE ENTRY FORMS

Race entry forms must be completed in full, signed and returned to an official of the *PRSC* prior to the preparatory signal of any individual race or series. Forms for all *PRSC* events are available from the clubhouse or the *PRSC* website.

If this is the first time a boat has raced with the *PRSC* in the current racing season, a current and valid copy of the Safety Compliance Certificate AND a Certificate of Currency (Insurance Policy) incorporating Public Liability Insurance must be provided before the preparatory signal.

5.10 RACE FEES

Prior to a boat entering a race or series, all appropriate entry fees will have been paid in full. Upon request, the club will issue a receipt to confirm entry fees have been received. Details of entry fees can be found under Section 4.2 or on the *PRSC* website.

The *PRSC* Winter series is a fee free series; however, a valid Safety Compliance Certificate must be submitted for competing yachts.

Visiting yachts racing in *PRSC* invitation events are not required to pay fees. It is the responsibility of the skipper/owner of visiting yachts to ensure that a valid Safety Compliance Certificate for their yacht has been issued by the visitor's club. A copy of this must be available for inspection upon request of an official of the *PRSC*.

5.11 INSURANCE/CERTIFICATE OF CURRENCY

All yachts racing at the *PRSC* shall be insured with valid third part liability insurance. A Certificate of Currency for this insurance will be held by the boat owner.

5.12 RESPONSIBILITY AND INDEMNITY

All those taking part in any race understand that they do so at their own risk and responsibility. The *PRSC* and its respective officers, employees, volunteers and members accept no liability for any injury, loss, death or damage that may be suffered by any competitor prior to, during or after any race.

5.13 RULES

All those taking part in any *PRSC* race are bound by the Racing Rules of Sailing of the ISAF; the prescriptions/Special Regulations of SA; the Notice of Race and the Sailing Instructions as published by the *PRSC* and all other rules that govern a *PRSC* race.

All *PRSC* events are subject to the Marine Safety Act 1998; the Marine Safety (General) Regulations 2009; the Regulations for the Prevention of Collision at Sea ("Coll Regs"); and the *PRSC* Aquatic License issued by Maritime Services to the *PRSC*. The Navigation (Collision) Regulations – NSW will always prevail where racing and non-racing vessels interact and when vessels are racing under different governing body regulations.

Any yacht that is in breach of either the Rules or the Prescriptions or Special Regulations of SA, as amended by these Sailing Instructions and fails to accept an alternate penalty shall be disqualified.

Competitors that collide with or cause a collision with a moored or anchored vessel and fail to retire shall be disqualified.

The SA Prescription to Rule 86 does not apply to *PRSC* races.

The SA Prescription to Rule 55 does not apply to *PRSC* races. However, there must be at least one

financial member of the *PRSC* on board participating boats. Visiting boats need not have a financial member of the Parramatta River Sailing Club on board.

Yachts sailing single handed are not eligible to compete.

The Sailing Committee, or its appointed delegate, reserves the right to refuse entry to any *PRSC* event without giving a reason.

Where a situation arises that is clearly not covered by these Sailing Instructions or the Rules, then the Sailing Committee is empowered to make a ruling.

5.14 RESULTS

With the exception of twilight races, the results of the days racing will be announced in the *PRSC* clubhouse at 17:30 during the winter season and at 18:00 for all other events.

Results will be posted on the Official Notice Board and will appear on the *PRSC* website. Results may be published in metropolitan newspapers the following day.

5.15 CLUB FLAG

The *PRSC* racing pennant must be displayed by all yachts racing in *PRSC* events. Visiting yachts may use their own club flag. Racing pennants can be purchased from the *PRSC*. The *PRSC* racing pennant consists of three horizontal stripes; a blue top stripe, a yellow middle stripe and blue bottom stripe.

5.16 MARKS

Laid *PRSC* marks will be permanent orange cylindrical buoys displaying the *PRSC* name and Mark Number. Temporary flag marks will display the club flag. The approximate location of Marks is shown in Appendix F – Position of *PRSC* Marks on page .

YA marks are permanent yellow cylindrical buoys with no markings. Location of relevant YA marks are displayed in Appendix C – YA Marks on page .

All marks shall be kept to Starboard during rounding or passing unless marked with a “P” in the Course Description, which indicates that they should be kept to Port.

Any special courses will be notified separately with the notice of race.

The approximate Latitude and Longitude of *PRSC* marks are as follows:

Mark 1	33° 50'157" S	151° 06 '703" E
Mark 2	33° 50'238" S	151° 07' 56" E
Mark 3	33° 50' 904" S	151° 07' 140" E
Mark 4	33° 51' 244" S	151° 07' 440" E
Mark 5	33° 50' 848" S	151° 08' 119" E

Mark 6 33° 50' 406" S 151° 09' 282" E

The approximate location of Marks is shown in Appendix F – Position of PRSC Marks on page .

5.17 STARTING RULES

For all races, the preparatory period commences 5 minutes before the start time. The raising of either Code Flag A or C shall indicate the starter is on station.

Attention may be drawn to the starting flag sequence by use of sound signals.

Note: Visual signals take precedence over sound signals.

Yachts sailing in the starting area prior to their preparatory period shall keep clear of those yachts who have commenced their preparatory period.

Yachts that are on the course side of the starting line during their preparatory period & prior to the start signal must keep clear of other yachts who have commenced their preparatory period.

Yachts intending to race shall keep clear of the club jetty from the first preparatory signal of the day.

Yachts under tow or power within their preparatory period shall stop their motor or cast off and make a 360 degree turn before starting.

The Starter shall remain on station for 15 minutes after the last scheduled yacht has started. Code flag “C” or “A” will then be lowered to indicate that the Starter has stood down.

Please see Appendix E – Code Flags on page for a list of code flags.

5.18 RECALLS

Individual: When at a yacht’s starting signal any part of her hull, crew or equipment is on the course side of the starting line, the starter will display code flag “X.” The starter will also endeavour to make one sound signal and to inform the yacht, or yachts recalled. Code flag “X” will be displayed until all recalled yachts have returned to the pre-start side of the starting line or for 4 minutes, whichever is the lesser duration.

Please see Appendix E – Code Flags on page for a list of code flags.

General: Where at the starting signal, the starter is unable to identify yachts that are on the course side of the starting line, or where there has been an error in the starting procedure, or the starter otherwise determines, the starter may signal a general recall by displaying code flag “First Substitute.” The starter will also endeavour to make two sound signals.

After a general recall has been signalled the “First Substitute” will be lowered a maximum of 4 minutes after the original start time. The re-restart will commence 1 minute later with the raising of the warning signal.

Please see Appendix E – Code Flags on page for a list of code flags.

5.19 HANDICAP SYSTEM

The yacht of an existing competitor is allocated a handicap at the start of the season based on its performance at the end of the previous season.

A new yacht will be assigned a handicap by the Race Secretary taking into account all relevant factors. The initial handicap will be reviewed after the yacht has completed its first three races.

The handicap range for spring, summer and autumn river races is 0-40 minutes and all handicaps will be pegged to the scratch yacht.

The handicaps for Twilight and winter river races are based on a one division competition and will be separate from and not affected by other series events. The handicap range is 0 – 30 minutes and all handicaps will be pegged to the scratch yacht.

Handicaps for each series will be set by the Race Secretary prior to the first race of the series. The Race Secretary will generally use the handicap time from the last race of the preceding series and adjusted as appropriate.

For races beyond the Harbour Bridge, handicaps shall be calculated by multiplying each yacht's handicap, after adjustment from the previous Saturday's race, by a course factor. The course factors shall be;

For Division 1 - 150%

For Division 3 - 150%

Yachts that record a DNS will not have their handicaps adjusted, however if they fail to start in three consecutive races they may lose their handicap and will be treated as a new yacht for the purposes of being assigned a handicap when they do start.

If four or more yachts start in a race, the handicaps for 1st, 2nd and 3rd place getters in each race will be reduced by 3, 2 and 1 minutes respectively.

If three yachts or less start in a race, then the handicap reductions are as follows:

If 3 yachts start 1st Place 2-minute reduction

 2nd Place 1-minute reduction

 3rd Place No change

If 2 yachts start 1st Place 1-minute reduction

 2nd Place No change

If 1 yacht starts 1st Place No Change

Additional handicap adjustments may be applied by the Race Secretary if and when deemed necessary.

5.20 RETIREMENT

If a boat retires from a race the person in charge is responsible for notifying the Starter, a Race Official or the Race Secretary as soon as possible. This can be done in person or via phone to the club on 9816 3916.

If a boat has not finished or retired in a reasonable time after it was expected to finish, the Race Officer may call the Water Police.

5.21 PROTESTS

Any protest must comply with the requirements of Part 5 Section A of the Rules

The Starter shall be notified of any protest on completion of the race in which the alleged incident occurred.

A fee of \$10.00 must accompany the protest form which will be refunded if the protest is upheld.

Upon notifying the protested yacht of the lodgement of a protest the sailing committee shall;

1. where no injury or serious damage has occurred, or
2. no serious infringement of the yachts has occurred,

Offer the protested yacht the opportunity to Retire (RET) from the event

Handicaps are not affected by the outcome of protests.

Where a yacht's points score is subject to adjustment as the result of the protest the Race Secretary will notify such changes in the next result sheet.

Protests shall be convened in the Clubhouse and shall be heard within 7 days of the notification of the protest.

5.22 SCORING POINTS

Yachts which comply with the Rules listed in Section 5.13 are eligible to score points. Visitors are not eligible to score points however they are eligible to win the trophy of the day.

Points shall be awarded under the "Low Point System" as described in the Appendix A to the Racing Rules of Sailing.

Except that yachts that start and do not finish (DNF/RET) will be scored points for finishing one more than the number of yachts that started and yachts that do not start (DNS) will be scored one more than the number of yachts entered in the series.

Yachts that are disqualified following a protest hearing or for any other reason will score points one more than the number of yachts entered in the series.

The Sailing Committee may award average points to yachts which:

1. participate in State or National or Major events which clash with *PRSC* point score races,
2. volunteer not to start in order to carry out essential services deemed necessary to the functioning of the club or,
3. Are interrupted or discontinue racing on the instructions of the Police or Maritime authorities.

Average points mean the average of points awarded to finishers in that yacht's division for that race.

Dead heat yachts. The points available to the dead heat yachts shall be the total of the points available to the yachts involved, distributed evenly amongst them. All other placings are unchanged.

Races that are cancelled or abandoned will not be re-sailed. All yachts in the series will be awarded DNS points.

In calculating the total points earned for the series, the worst race point score is to be discarded. Disqualifications cannot be discarded. The Series winner is the yacht with the lowest point score for that series.

For the current season, the Club Champion in each Division is the yacht achieving the lowest total points scored from the points awarded in the Spring, Summer, Autumn, and Special Trophies series and Long course races, after any discards.
